BASS HIGH SCHOOL

YEAR 11

2020

This is the beginning of a 'grand adventure' for the next two years.

Year 11 is a very important part of your H.S.C. study. Year 11 consists of the first three terms in 2020.

This booklet is designed to help you plan for the assessments in Year 11. It informs you of all the tasks, the date they are due, the weighting of each task and the outcomes being assessed in the tasks.

It is important to remember:-

- School Assessments contribute to you satisfactorily completing Year 11.
- You need to satisfactorily complete 12 units in Year 11.
- You may continue study into the H.S.C. year only if you have satisfactorily completed Year 11 in a subject.
- Do not miss any assessment tasks.
- Tasks not completed due to illness or misadventure must be supported by a Doctor's Certificate and a Misadventure form handed to your teacher immediately upon your return to school.
- Put all the tasks that you have due onto a calendar (use your Student Diary) so you do not forget when one is due.

Although your teachers wish you good luck, your success depends more on good management, commitment and consistent effort to your responsibilities.

Year 11 2020

Introduction to Year 11 Assessment

The Purpose of the Year 11 Assessment

Assessment is carried out by schools for the NSW Education Standards Authority (NESA). It consists of set assessment tasks in each subject. Year 11 Assessment is designed to give students experience/credit for:

- Preparing students for the H.S.C. Assessment Program.
- Aspects of their courses which are not tested by the H.S.C. Examination, e.g. practical skills, research skills, field studies and oral skills, etc.
- Their achievement in a Year 11 course, rather than relying only on performance in examinations.
- At the end of the Year 11 course schools must provide the NESA with an indication of each student's performance. Students will be reported as Satisfactorily/Not Satisfactorily completing each course studied.

The School Assessment

This will occur in each subject, through formal examinations, tests, assignments, essays, creative works, field study reports and other tasks. These will continue throughout the Year 11 course in order to diagnose student's strengths and weaknesses, to inform parents, and to prepare students for their H.S.C. assessment and examinations.

Students are reminded that failure to complete School Assessment tasks may mean that progress in the subject concerned may be found to be unsatisfactory. All assessment tasks contribute towards each student's achievement and should therefore be completed.

Vocational Courses and Training (VET) Courses

Vocational Education and Training (VET) courses are offered as part of the Higher School Certificate (HSC) or Record of School Achievement (RoSA). VET courses are designed to deliver workplace-specific skills and knowledge and cover a wide range of careers and industries. VET courses for secondary students are developed by the NSW Education Standards Authority (NESA) and are based on national training packages.

VET courses allow students to gain both HSC or RoSA qualifications and a qualification recognised throughout Australia as part of the Australian Qualification Framework (AQF). These qualifications are widely recognised by industry, employers and tertiary training providers e.g. TAFENSW and Universities and will assist students to move easily between various education and training sectors and employment.

Public Schools NSW, Ultimo operates as a Registered Training Organisation (RTO) to deliver and assess VET qualifications to secondary students.

It is mandatory for all students studying a VET course create a Unique Student Identifier (USI). Students will require a form of identification, such as a Medicare Card, Birth Certificate, Driver's License or a valid Passport for the creation of the USI.

Board Developed VET courses are classified as Category B subjects and ONLY ONE may contribute to the calculation of the Australian Tertiary Admission Rank (ATAR). These courses have an

optional HSC examination. Students wishing to include a VET course in the ATAR calculation must sit the HSC examination.

Board Developed VET courses have specified workplace requirements and include industry specific mandatory work placement (35 hours per 120 hours of delivery) or occasionally simulated workplace hours at school.

Board Endorsed VET courses do count towards the HSC or RoSA but do not have HSC examinations therefore do not count in the calculation of the ATAR. Board Endorsed VET Courses have either mandatory or recommended industry specific work placement.

Assessment in all VET courses is competency based. The student is assessed on what they can do (the skills) and what they know (the knowledge) that will equip them in the workplace. Students who have successfully achieved competency will have the skills and knowledge they need to complete workplace activities in a range of different situations and environments, to an industry standard of performance that is expected in the workplace.

Competency-based assessment materials are designed to ensure that each learner has achieved all the outcomes (skills and knowledge). Competency-based training is based on performance standards that have been set by industry. Students will receive documentation showing the competencies achieved for the VET course undertaken.

If the student has already completed part of the course elsewhere, or have previous life or work experience in the relevant industry, he or she may be eligible for Recognition of Prior Learning (RPL) for part of the course, or for 35 Hours work placement in the HSC course. The student does not have to repeat the training or assessment but must produce evidence of competence (which may be demonstrated during a skills and knowledge assessment). The VET committee consisting of the VET teacher, VET Coordinator and a member of the senior executive will determine if the student is eligible.

If a student has completed a unit of competency with another RTO (common examples include a white card course, first aid certificate or a barista course), and the student can supply evidence of the same or an equivalent competency, credit transfer is awarded.

Due to the specific requirements of a VET course it is recommended students speak to the VET Coordinator or Careers Adviser before choosing the course to ensure they are fully aware of the requirements

HSC: All My Own Work

All HSC students must complete the NESAs mandatory course HSC: All My Own Work. This course is designed to help students understand important issues related to senior study and the HSC, including plagiarism, copyright, working with others and scholarship principles and practices. Students will generally undertake the course during school time and will be signed off with NESAs as having Satisfactorily / Not Satisfactorily completing the course. Students who do not complete the course will not be eligible for the HSC.

The School's Responsibilities

The NESA requires that each school develop an Assessment Program for each subject course.

Schools are required to:

- Set tasks which will be used to measure student performance in each component of a course using course outcomes.
- Specify the mark value and weighting for each task.
- Inform students of the Year 11 Assessment requirements for each course.
- Keep records of each student's performance on each task.
- Provide students with information on their progress.

The assessment guidelines provided in this handbook were prepared from NESA subject guidelines. It is provided to give students an indication of the number and timing of assessment tasks in each subject.

Students will receive more specific information from their subject teachers concerning what will be assessed how it will be assessed, and when it will be assessed.

Students may obtain advice regarding their Year 11 assessments from their subject teacher, the subject Head Teacher, or from their Student Advisor and Careers Advisor.

The School reserves the right to make any changes considered necessary after this handbook has been issued. The changes will be advised to the students concerned, giving at least two weeks notice.

Reporting to Students and Parents

Students will receive reports on individual assessment tasks, as well as formal reports following each examination.

Reports on individual assessment reports will include the mark obtained and constructive comment to assist the student.

Two formal school reports will be provided on a student's progress during the Year 11 assessment period. Each report will provide an indication of:

- The student's cumulative assessment mark, which is the score for the assessment tasks completed during the reporting period.
- The student's cumulative rank, based on the cumulative assessment mark for that period.

In addition, two interim reports will be provided to indicate a student's progress during Term 1.

Answers to Some Important Questions

When Will Assessment Begin?

The school's Assessment Program will commence at the beginning of Term 1 (in Year 11), and will conclude with the Yearly Exam (Term 3, Weeks 8 & 9).

How Much Notice Will Be Given of Each Task?

The Calendar of Year 11 Assessment Tasks provides students with an outline of the schedule of assessment tasks. Teachers in each subject will provide additional notice at least two weeks prior to the assessment task.

Where there is sufficient reason for the school to change the assessment date, students will be given adequate notice of the revised date (at least two weeks).

What Happens if You Are Sick or Unable To Complete a Task for Some Reason?

Students are expected to perform all the tasks that are part of their assessment program.

The Year 11 Assessment will not compensate for factors such as extended illness, misadventure or domestic problems which might affect the preparation or performance of a student throughout the course.

If a student is absent or unable to complete an assessment task for some valid reason it is the **student's responsibility** to approach the Head Teacher **immediately** to make appropriate arrangements and complete a Misadventure Form. The student or parent/caregiver should notify the school immediately of the student's absence.

A medical certificate must be provided in the case of illness and handed in with the Misadventure Form. This needs to occur upon the student's first return to school. Late medical certificates may not be accepted.

If the Head Teacher and the class teacher consider that the student had sufficient reason, supported by appropriate evidence, for not attempting or completing the task, a substitute assessment task will be arranged. Where a student does not complete the substitute task, or does not have sufficient reason, a zero mark will be recorded for this task.

In exceptional circumstances, where giving a substitute task may be unreasonable, difficult to arrange or not feasible, the Principal may authorise that an estimate is given for this task.

What If You Know In Advance That You Will Be Absent?

If a student knows that they will be absent with sufficient reason (e.g. a funeral or an operation), then the student should explain the circumstances on a Misadventure form before the absence to their class teacher. In this situation a substitute assessment task may be arranged.

What If You Have Been Absent From School?

Where a student has missed a lesson it is the student's responsibility to check with the class teacher to see if information relevant to a forthcoming assessment task has been provided.

How Many Assessment Tasks Must You do?

Students must complete all their Year 11 Assessment tasks. If students fail to complete assessment tasks that make up 50% or more of the total assessment marks in the HSC course, they will be deemed ineligible for their HSC in that course. These provisions are outlined later in this section. All school assessment tasks must be completed.

What Happens When You Hand in an Assessment Task?

Teacher will keep records of work completed or handed in. This will include:

- Issue of a receipt for assessable work not completed in class, or
- Marking a class list of those present and handing in assessable work.

In examinations, students will complete an examination attendance slip for each subject.

What Happens If You Hand Work in Late?

Unless a student provides a doctor's certificate for late submission of an assessment task, supported by a written statement from a parent or caregiver, and a Misadventure form, marks will be deducted at the rate of 10% of the total marks available, for each late day up to three days.

After three days neither the task nor a letter of explanation will be accepted and:

- A zero mark will be recorded.
- The student and parent/caregiver will be advised by the issuing of an 'N' Determination Warning letter.

What About Students Who Get Outside Help or Copy Other People's Work?

Penalties will be imposed for copying, plagiarism, cheating or disturbance in an examination. The Head Teacher will determine the penalty and the student and the parent/caregiver will be advised in writing.

Computer Failure?

If you are presenting work produced via computer and you experience a computer or printer failure the following **MUST** be done:

- Drafts of task must be supplied
- Saved work on electronic memory media must be supplied – either final in case of printer failure or initial drafts
- Rough notes must be supplied

Only after these initial procedures have been met on the due date, will the Head Teacher consider a student's request for unforeseen circumstances.

What If You Do Not Make a Serious Attempt?

If you do not make a serious attempt in an assessment task, or produce irrelevant or offensive material, you will be awarded a zero mark and issued with an 'N' Determination warning letter. Each case will be considered by the teacher in consultation with the Head Teacher.

What About Students Who Do Not Comply with Assessment Task Instructions?

Each case will be considered by the teacher, in consultation with the Head Teacher. If it is found that the assessment task seriously breaches the instructions given, a zero mark will be awarded.

Malpractice - Copying, Cheating, Talking during an Assessment Task.

All Assessment Tasks must be –

- **The student's own original work.** You cannot submit an identical task as another student. You may work on a task with a friend/relative, etc. but the final copy must be in your own words, i.e. it must be your original interpretation of the task. Failure to comply with this will lead to the award of a zero mark and a 'N' determination warning letter.
- **Completed by the student in the current assessment period.** You may not hand in a task or part of a task completed for another assignment in this or previous years. Students found to have committed this form of malpractice will be awarded a zero mark and issued with an 'N' determination warning letter.

In situations where it is established that the student has copied from another student or misrepresented work copied from a source or committed any other type of malpractice then a **zero mark** and a **‘N’ determination warning letter** will be given for the task.

The Head Teacher in consultation with the class teacher will establish if malpractice has occurred. Parents/Caregivers will be advised in writing.

If a student can produce conclusive evidence that malpractice could not have occurred, an appeal may be lodged with the Deputy Principal in writing. An interview with the student will follow and the decision made will be final. If it is found that malpractice has occurred, no substitute task will be given.

Malpractice during a school exam or for an assessment task will result in a zero mark and could result in a ‘N’ determination for that subject.

Certification of Completion of Course Requirements:

- To complete a course satisfactorily you must fulfil all requirements of the syllabus, e.g. assignments, practical work, participation in class. This includes the minimum requirement that a student makes a genuine attempt at assessment tasks.
- You will be considered to have satisfactorily completed a course if, in the Principal’s view, there is sufficient evidence that you have:
 - followed the course developed or endorsed by the NESAs; and
 - applied yourself with diligence and sustained effort to the set tasks and experiences provided in the course by the school; and
 - achieved some or all of the course outcomes.
- If the Principal determines that the above course completion criteria have not been met, you will be given written warning in sufficient time to correct any problems regarding your satisfactory completion of course requirements. These letters are referred to as ‘N’ Determination Warning letters. A student who has not complied with the above requirements cannot be regarded as having satisfactorily completed the course. The Principal will then deem that the student has not met the requirements for that course.
- **If you maintain two (2) unredeemed ‘N’ determination warning letters in a course you will be regarded as not having met requirements of the course. It is imperative that you redeem yourself of these ‘N’ determinations by completing the work within the allocated time period.**
- You have the right to appeal to the school and then the NESAs against the Principal’s determination. The Principal will advise you of this right and explain the appeal process.
- Where it is determined that you have not satisfactorily completed a course, you will receive no results in that course. Until you receive results in at least 12 Preliminary units and at least 10 HSC units you will not be eligible for the award of a Higher School Certificate.

What About Students Who Change Schools or Repeat?

Students who transfer to this school before the final date of entry in Year 11 will be assessed by the school based on the tasks completed at this school. Information from the student's previous school may also be taken into account, including 'N' Determination warning letters.

In the case of students who transfer to this school between the final date for Year 11 entry and the date for submission of satisfactorily completing a course, their previous school will provide their assessment, including any N-Determinations.

Students who transfer from interstate or overseas will be assessed on the tasks completed at this school, following a four-week settling in period.

Students repeating a Year 11 Course will be given an assessment based on their repeat Year 11 Course only.

Appeal Process

If you have been deemed unsatisfactory in a course ('N' Determination) you may appeal this decision. A review panel at school will be convened.

The review will be conducted by a panel comprising:

- The Principal,
- The Head Teacher or their representative,
- An Independent Year 12 teacher.

The review will focus on the procedures for determining the assessment mark and will NOT involve reconsideration of the teacher's judgement of the student or the worth of a particular assessment task. The review may:

- Check that the weightings specified by the subject/school conform to NESA Policy.
- Check that the weightings used conform to the school's written policy.
- Check for computational and clerical errors.
- Establish if there were anomalous factors to be considered, such as non-attempted tasks, illness/misadventure, etc.

A report, giving reasons for the decision, will be provided to the student and to the Board of Studies Teaching and Educational Standards.

Remember

- It isn't a case of good luck with the Year 11. Assessment.
- The amount of effort that you apply to your studies in each subject will prepare you for your H.S.C. Year.
- Students deemed unsatisfactory in a Year 11 course may not progress into the H.S.C. year of that course. Without 12 Year 11 units you may need to repeat the course or undertake the Year 11 course in another subject next year at TAFE or another school.
- The Subject Assessment guidelines provide general information about Year 11 Assessment in each subject.
- Each subject will provide more specific information to students.

A Glossary of Key Words

Syllabus outcomes, objectives, performance bands and examination questions have key words that state what students are expected to be able to do. A glossary of key words has been developed to help provide a common language and consistent meaning in the Higher School Certificate documents. Using the glossary will help teachers and students understand what is expected in responses to examinations and assessment tasks.

Account	Account for: state reasons for, report on. Give an account of: narrate a series of events or transactions
Analyse	Identify components and the relationship between them; draw out and relate implications
Apply	Use, utilise, employ in a particular situation
Appreciate	Make a judgement about the value of
Assess	Make a judgement of value, quality, outcomes, results or size
Calculate	Ascertain/determine from given facts, figures or information
Clarify	Make clear or plain
Classify	Arrange or include in classes/categories
Compare	Show how things are similar or different
Construct	Make: build: put together items or arguments
Contrast	Show how things are different or opposite
Critically	Add a degree or level of accuracy depth, knowledge and understanding, logic, questioning, reflection and quality to (analysis/evaluation)
Deduce	Draw conclusions
Define	State meaning and identify essential qualities
Demonstrate	Show by example
Describe	Provide characteristics and features
Discuss	Identify issues and provide points for and/or against
Distinguish	Recognise or note/indicate as being distinct or different from; to note differences between
Evaluate	Make a judgement based on criteria; determine the value of
Examine	Inquire into
Explain	Relate cause and effect; make the relationships between things evident; provide why and/or how
Extract	Choose relevant and/or appropriate details
Extrapolate	Infer from what is known
Identify	Recognise and name
Interpret	Draw meaning from
Investigate	Plan, inquire into and draw conclusions about
Justify	Support an argument or conclusion
Outline	Sketch in general terms; indicate the main feature of
Predict	Suggest what may happen based on available information
Propose	Put forward (for example a point of view, idea, argument, suggestion) for consideration or action
Recall	Present remembered ideas, facts or experiences
Recommend	Provide reasons in favour
Recount	Retell a series of events
Summarise	Express, concisely, the relevant details
Synthesise	Putting together various elements to make a whole

Dear

OFFICIAL WARNING – Non-completion of a Preliminary Course

This letter is to advise that your son, _____, is in danger of not meeting the requirements for satisfactory completion of the Preliminary course in Biology.

The NSW Education Standards Authority (NESA) requires schools to issue students who are in danger of not meeting course requirements with official warnings in order to give them the opportunity to correct the problem. A minimum of two course-specific warnings must be issued prior to a final non-completion of course determination being made.

This is the 1st official warning we have issued notifying you that _____ is at risk of not completing the above course.

Criteria for satisfactory completion of a course

For a student to satisfactorily complete a course, NESA requires the principal to have sufficient evidence that the student has:

- (a) followed the course developed or endorsed by NESA; and
- (b) applied himself with diligence and sustained effort to the set tasks and experiences provided in the course by the school; and
- (c) achieved some or all of the course outcomes.

Where it is determined that a student has not met the course completion requirements, they place themselves at risk of receiving a determination of non-completion of course requirements. This will mean that the course will not be listed on the student's Record of Achievement and may affect the student's eligibility for the Higher School Certificate.

_____ is not currently meeting one or more of these requirements. In particular, he is:

- Not Applying Themselves with Diligence

Opportunity to correct the problem

The following tasks or requirements need to be completed by _____ to correct the problem.

Task Name/Course Requirement/Course Outcome	Percentage Weighting	Date Task Initially Due	Action Required by Student	Date to be Completed by
Plant & Animal Cells Activity	5%	11/2/2019	Complete with due diligence and submit for marking	25/2/2019

Action by parent/guardian

To support _____ in meeting the course requirements, we request that you discuss this matter with him, and encourage and support him to carry out the required actions. If you have any questions about this matter, please contact Mr L Liang or Dr A Hadjichari.

Please complete the acknowledgement below and return it to the school. Please feel free to add additional comments if you wish.

Yours sincerely

Mr L Liang
 Teacher
 Head Teacher Science

Dr Andrew Hadjichari
 Head Teacher Science
 Principal

**Acknowledgement of Official Warning
 Please return to the school office**

I have received the letter dated Tuesday, 12th February 2019 advising me that _____ is in danger of not meeting the course completion requirements for Biology, and am aware that this is the 1st official warning. I am aware that any course not satisfactorily completed will not be listed on the student's Record of Achievement and may affect the student's eligibility for the Higher School Certificate.

Parent/Guardian's signature: _____ Date: _____
 Student's signature: _____ Date: _____

BASS HIGH SCHOOL

MISADVENTURE FORM

This form **MUST** be completed by a student who is unable to attend/submit an assessment task, on the due date. On collection of this form, the procedures as set out in the Assessment Booklet must be followed in order for any consideration to be extended with regards to this task.

1. Complete and present this form to the appropriate Head Teacher. This should be done prior to the due date where applicable or on the first day of your return to school.
2. If approval is granted, this form together with any other relevant documents, must be attached to the assessment task on submission

Failure to submit this form promptly may adversely affect the result of your request. It should not be assumed that an application using this form will be successful, as the reasons advanced will be assessed on their merits.
