

5 September 2018 KLA Careers News Bulletin

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

HSC SUBJECT KLA / FACULTIES

CAPA

Southern Cross University – Spring into Engineering Program for Aspiring Girls

24 October. 9.00am to 2.30pm

A Block, Lismore Campus

Southern Cross University is committed to encouraging and supporting women to consider a career in engineering and to learn more about the wonders, opportunities and diversity of career paths available within the discipline.

Women in engineering careers enjoy:

- seeing their efforts make a real difference in communities
- working creatively with processes that start with designs on paper and go all the way to real life applications
- project management
- working with people and in teams
- leadership responsibilities
