

Uniform Policy – Shoes

It is compulsory for students to wear shoes at all times at school, in order to protect their feet. Rules set down by the Department of Education indicate what is suitable and what is not.

There are also some legal issues, particularly under 'Work Health and Safety' requirements.

Poor quality footwear can permanently damage growing feet. Sport shoes must provide foot support. Specialty sport shoes may be appropriate for specific sports.

SHOES				
	Daily Classes		Sport Days
